Fort St. George, June 1, 1923.

No. 154.—The following rules which His Excellency the Governor has made under sections 21 and 26 of the Madras Forest Act, 1882, and section 6 of the Indian Fisheries Act, 1897, to regulate fishing on the Pahi Hills are published for general information.—

PALNI HILLS FISHING RULES.

In exercise of the powers conferred by sections 21 and 26 of the Madras Forest Act of 1882 and section 6 of the Indian Fisheries Act of 1897, His Excellency the Governor directs the closure to fishing of the Kodaikanal lake, of the Kodaikanal water-works reservoir, of the Berijam reservoir and of the Bryant Park pond and of their effluents and also directs the closure to fishing of effluents lying within the boundaries specified in the schedule annexed to the notification.

Note 1.—For the purposes of these rules, the term 'fishing' includes the capture of fish or the attempt to capture fish by any means, including (1) the use of fixed engines, crawes, weirs, or nets and (2) the damming or baling of water. The poisoning and dynamiting of fish are offences under sections 4 and 5 of the Indian Fisheries Act.

Note 2.—These rules do not apply to fishing with a single rod and line in the Kodaikanal lake.

Note 3.—These rules shall remain in force for two years from the date of this notification.

2. Any person who contravenes these rules shall, on conviction, be punishable—

(1) in the case of waters included in the reserved forests, with imprisonment for a term which may extend to six months or with a fine which may extend to Rs. 500 or with both;

(2) in the case of waters included in unreserved lands with imprisonment for a term which may extend to one month or with a fine which may extend to Rs. 200 or with both;

(3) in the case of other waters (not being private waters), with a fine which may extend to Rs. 100.

3. (1) In the case of all waters (including those in reserved forests and in unreserved lands other than private waters), any person convicted and punished under clauses (1), (2) or (3) of rule 2 shall be liable—

(a) to the seizure, forfeiture and removal of any fixed engine erected or used, or of any net used in contravention of these rules, and

(b) to the forfeiture of any fish taken by means of any such fixed engine or net.

(2) If, after a conviction under clauses (1), (2) or (3) of rule 2 any person again contravenes these rules, he shall, on conviction, be punishable, in addition to the punishment set forth in rule 2 and rule 3 (1), with a further fine which may extend to ten rupees for every day during which the breach of this rule is proved to have been persisted in after the date of the first conviction.

Note.—Any magistrate who makes use of the provisions of rule 3 (2) against any offender must set forward imprisonment in his case and must limit the amount of his substantive fine to one hundred rupees.

4. Every person appointed by the District Forest Officer for the purpose of enforcing these rules shall be deemed to be a Forest Officer under the Madras Forest Act of 1882.

SCHEDULE.

North.—Starting from the south-west corner of the Kadreyar reserve the line runs along the southern boundaries of Kadreyar, Ohnoothu Odai and Pambaru Vilpatty valley reserves to the western boundary of the Ayakudi Zamindari.

East.—Thence the line runs southwards along the western boundary of the Ayakudi Zamindari to its junction with the Perumalmalai Shola reserve; thence along the eastern boundaries of the Perumalmalai Shola and Perumalmalai reserves to the junction of the boundary of the Perumalmalai reserve with that of the Tiger Shola reserve; thence the line runs along the northern and eastern boundaries of the Tiger Shola reserves to the junction of the last-named boundary with that of the Adukkam reserve.

South.—Thence the line runs along the northern boundaries of the Adukkam, Pambar, Sengalreveyar and Amburavi reserves to the junction of the boundary of the last-named reserve with that of the Bodinaikkanur Zamindari; thence the line runs westwards along the northern boundary of the Bodinaikkanur Zamindari to its junction with the boundary of the Travancore State.

West.—Thence the line runs along the eastern boundaries of the Travancore State and of the Udumalpet taluk of the Coimbatore district to the starting point.

Fort St. George, May 25, 1923.

No. 155.—The Government consider that all indents for quinine from Government, local fund and municipal medical institutions in the Madras City and outside the Presidency town should be scrutinized by the Personal Assistant to the Surgeon-General before they are transmitted to the Superintendent of Prisons, Madras. They accordingly direct that rule (2) (ii) of the rules regarding the distribution of quinine appended to G.O. No. 428, Development, dated 28th March 1922, be revised as follows:—

"(ii) (a) *Government medical institutions (Madras and mofussil).*—On indents signed by the Superintendents of the hospitals or the District Medical and Sanitary Officers as the case may be and countersigned by the Personal Assistant to the Surgeon-General,

(*b*) *Local fund and municipal medical institutions*—

Madras City.—On indents prepared by the Health Officer of the Corporation and countersigned by the Commissioner of the Corporation.

Mofussil.—On indents prepared by the District Medical and Sanitary Officer and countersigned by the President of the Local Board or the Chairman of the Municipal Council concerned as the case may be.

All indents should be forwarded to the Superintendent of Prisons, Madras, through the Surgeon-General. On receipt of such indents, the Superintendent of Prisons, Madras, will intimate to the countersigning officer the price of the quantity indented for and the cost of packing and transport."

Fort St. George, May 30, 1923.

No. 156.—The Governor in Council notifies under the provisions of section 4 of the Madras Forest Act, V of 1882, that it is proposed to constitute the area, the boundaries of which are described in the schedule below as reserved forest under the said Act:—

SCHEDULE.

NOTIFICATIONS

All persons who possess voting qualifications for the following constituencies:—

Indian Commerce Constituency—Legislative Assembly
Mohammadan and Non-Mohammadan Constituencies—Council of State

in Madras and other districts and live in Madras and those who possess voting qualifications in Madras but live in other districts are hereby invited to report their qualifications to the Collector of Madras in the subjoined form before the 25th June 1923, if they wish their names to be registered. The qualifications for voters in each constituency will be found in the Government of India Notification No 767-F, dated 27th July 1920, published in the *Fort St. George Gazette* Extraordinary, dated 7th August 1920.

Persons who claim to be registered as electors by virtue of their being assessed to income-tax, should apply for registration, with such evidence of assessment to income-tax, in the previous year, and the amount of such tax as they may possess.

All income-tax officers have been directed by Government to supply a certificate of assessment to income-tax, free of cost to any assessee who applies for it.

The public will also note that no woman is disqualified by reason only of her sex for registration on the electoral rolls of the constituency of the Legislative Assembly. In the case of the Council of State constituencies however sex disqualification remains.

Name of assessee, Indian firm or company. (1)	Address. (2)	Name of father, Karnavan of the assessee or of the representative of the firm or company or of husband in the case of a female. (3)	Amount of income if income-tax qualification, whether derived from business or other sources and the amount of income from each source. (4)	In the case of estates and landed properties, head of qualification, i.e., amount of rental, tiedeem, malikhana, allowance or assessment, etc. (5)

TENDER FOR THE SUPPLY OF ARTICLES TO THE KING INSTITUTE OF PREVENTIVE MEDICINE, GUINDY.

NOTICE is hereby given that sealed tenders will be received up to 3 p.m. precisely on Wednesday the 13th June 1923 by the Director, King Institute, Guindy, at his office, for the supply of articles mentioned in the schedule hereto at the premises of the Institute:—

(1) Required quantities of these articles should be supplied on short notice on indents.

(2) The rate of each article tendered will be considered in the acceptance of the tender.

(3) Tenders will be opened precisely at 3 p.m. on Wednesday the 13th June 1923 by the Director, King Institute, Guindy, at his office in the presence of those who may choose to attend.

(4) Tenders should be superscribed in the manner indicated in the heading and on the covers should be written the words "Tenders for the supply of articles". Each tender must contain not only the rates but also the total value.

(5) Each tender must be accompanied by a deposit in currency notes of Rs. 50 as earnest money. This deposit will be returned to unsuccessful tenderers as early as possible and to the successful tenderers as soon as they have satisfactorily executed their contract bond.

(6) No person making a tender shall be allowed to withdraw it within thirty days from the date thereof and in the event of his so doing, his earnest money deposit shall be forfeited to Government.

(7) Successful tenderers will be liable to forfeit their earnest money if they fail to execute the bond binding them to supply, the cost of stamp being borne by the contractors executing it. They should also furnish security in cash or Government Promissory notes to an amount not exceeding Rs. 360 but which will be fixed in accordance with the number and value of the articles allotted to them, by the Director of the Institute, within one week from the date of acceptance of the tender being made known to them.

(9) The supplies should begin from 1st July 1923 and be made for one year from that date.

(9) No advance of cash will be made to the contractor. Payment for the articles supplied will be made as soon after their receipt as possible.

(10) It shall be optional with the Director of the King Institute to indent for a larger or smaller quantity of articles than those mentioned in the schedule attached.

(11) The contract must not be sub-let.

(12) The Director reserves to himself the right of rejecting any tender or any items in a tender or a portion thereof without assigning any reason for so doing. The lowest tender need not necessarily be accepted.

(13) In case the contractor after taking the contract be not willing to supply as per his agreement, he shall give at least a month's notice and shall forfeit the security to Government. The contractor will also be bound to make good to Government any loss which may arise from his withdrawal or failure or by the Director having to purchase the articles specified in the contract locally at higher rates than those contracted for.

(14) No article shall be supplied to the Institute except on the authority of the Director or some responsible officer authorized by him so this behalf.

(15) Printed forms of tenders can be had on application to the Manager at the office of the Institute.

TENDER FOR THE HIRING OUT OF CALVES TO THE KING INSTITUTE, GUINDY.

NOTICE is hereby given that sealed tenders will be received up to 3 p.m. precisely on Wednesday the 13th June 1923, by the Director, King Institute of Preventive Medicine, Guindy, at his office, for the supply of calves on hire for the manufacture of vaccine lymph as noted in the schedule hereto. Not less than two tenderers will be selected. They will be required to supply about 160 calves each a month.

Tenders will be opened precisely at 3 p.m. on 13th June 1923, by the Director, King Institute, at his office at Guindy, in the presence of those tenderers who may choose to attend.

Tenders should be superscribed "Tenders for the hiring of calves." Each tender must contain not only the rate of hire but also the total hire value of the supply.

Each tender must be accompanied by a deposit in currency notes of Rs. 100 as earnest money. This deposit will be returned to unsuccessful tenderers as early as possible and to the successful tenderers as soon as they have satisfactorily executed their contract bond.

No person making a tender shall be allowed to withdraw it within thirty days from the date thereof and in the event of him so doing, his earnest money deposit shall be forfeited to Government.

The earnest money deposit of successful tenderers will be liable to forfeiture if they fail to execute the bond binding them to supply, the cost of stamp being borne by the contractors executing it. They should also furnish security in cash or Government promissory notes to the extent mentioned in the schedule within one week from the date of the acceptance of the tender being made known to them.

The supplies should begin from 1st July 1923 and be made for one year from that date.

No advance of cash will be made to the contractors. Payment of hire in respect of the accepted calves will be made as soon after their acceptance as possible.

It shall be optional with the Director of the King Institute to indent for a larger or smaller number of calves than those mentioned in the schedule, and to suspend supplies as and whenever necessary during the period of contract.

The contract must not be sublet.

The Director reserves to himself the right of rejecting any tender without assigning any reason for so doing.

In case the contractors after taking the contract be not willing to supply as per their agreement, they shall give at least one month's notice and shall forfeit the security to Government. In case of failure to supply calves on the dates required by the Director, the contractors shall be fined an amount fixed by the Director which will be deducted from the security. The contractors will also be bound to make good to Government any loss which may arise from their withdrawal or failure. In the event of the Director having to purchase or hire out the calves specified in the contract locally at higher rates than those contracted for, the excess price shall be deducted from the other moneys due to contractors or the amount of security, without the contract being cancelled by Government.

No calves shall be supplied to the Institute except on the authority of the Director or some responsible officer authorized by him in this behalf.

The calves hired out will be released after the vaccine operations thereon have been carried out and when no longer required. In the event of any casualty occurring among the accepted calves during their period of detention at the Institute, the Institute will indemnify the contractor at the rate of Rs. 2-2-0 a calf.

The respective contractors should remove the dead calves within 24 hours after they are released. Calves not so removed will be disposed of by private sale or otherwise and the amount thus realized, less departmental expenses incurred, will be paid to the owners. The contractor cannot claim this amount as a matter of right.

Typed forms of tenders can be had on application to the Manager at the Office of the King Institute, Guindy.

The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 4 p.m. and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The cistern of the Barometer is twenty-two feet above the level of the sea, and the receiver of the rain gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 5·13 inches, the average due for the same period being 4·50 inches.
